2,869 glue sticks collected

1,091 Composition Notebooks distributed

Proud Partners in Education:

With understanding the financial challenges faced by schools and families, United Way aims to alleviate the burden on teachers who often cover the costs for classroom essentials. United Way's county-wide Stuff the Bus school supplies drive actively took place July 6 - 11, 2023, with collection sites at all (7) Publix Stores in Hernando and the Walmart Supercenter on 19.
