2018-2019 Board Chair

United Way of Hernando County
Executive Director/CEO
Angie Bonfardino-Walasek

Dear Friends of the United Way of Hernando County,

On behalf of our devoted Board of Directors and staff, we would like to personally thank you for another year of **GIVING, ADVOCATING, and VOLUNTEERING**. The United Way team each year invests its time, treasurers, and talents into strategically assessing and improving our community here in Hernando County. Through this process, it's important for us to listen to the needs of our residents and to identify the gaps in services. It's important for us to align with our Corporate Partner's passions and for us to continue to invest in our Partner Programs that directly impact thousands of local lives a year. It's important for us to be empathetic yet strong, to be kind hearted yet focused, and it's important for our organization to continue to grow in order to keep up with the fast paced demands of a rapidly growing community of over 186,000 people.

The 2018-2019 year was filled with so many accomplishments, but if anything it was a testament of how we are truly "Powered by Partnerships". Your United Way of Hernando County is uniquely positioned to directly impact change. Not only is this done through the generous **GIVING** of over 103 Corporate Partners, but through **ADVOCATING** on behalf of 20 non-profit agencies and 26 of their health & human service programs, and through dedicated individuals **VOLUNTEERING** their time (equivalent to the value of \$91,662) for causes they are most passionate about. Through these areas of change we **LIVE UNITED**.

These Partnerships continue to fuel our fire as we fight for the **HEALTH, EDUCATION, AND FINANCIAL STABILITY** of every person in our community. We ask that you lean on us this coming year. Allow United Way to be your lead organization when you don't know where to go or when someone struggling needs hope the most. Together we will continue to ensure more working individuals and families improve their financial literacy and stability, build a healthier community, and provide support for some of our most vulnerable neighbors.

Needless to say, there is so much room for growth! We could not achieve these ambitious steps without your continued support. United Way is fortunate to have a terrific staff, a UNITED Board, and so many wonderful volunteers and donors. We are humbled to serve, inspired to lead, and grateful for the power to do both.

As always, thank you for LIVING UNITED.

Sincerely,

Richard Linkul and Angie Bonfardino-Walasek

The **ALICE** population (**A**sset Limited, **I**ncome Constrained, **E**mloyed) are employed, hard working individuals and families who live paycheck to paycheck, where one car repair or medical bill can tip them over into financial crisis. Our work to end generational poverty is not possible without advocates, donors, community partners, and so many more. Help us bridge the gaps in services and break the cycle.

Success Story: "My 11 year old son and I were living in our van. As a single father, I was working the hours I could but struggled for a few months with my health condition. My son is a straight A student and his school called United Way for help. The girls not only helped us with food and gas, they helped me find a new apartment. They even came with me to sign the lease! They didn't know us and it was comforting knowing someone really cared."
