

# WE'RE A COMPANY THAT CARES ABOUT YOUR COMMUNITY THROUGH UNITED WAY.

Your employer believes in being a part of long-lasting change in the community. That's why they choose to invest in United Way. Take a moment to learn about United Way of Hernando County, what they do, who they help, & how you can participate in our annual **Workplace Giving Campaign**.

**HELP CREATE OPPORTUNITIES FOR ALL BY  
SUPPORTING THESE PRIORITY AREAS:**

## HEALTH

Whether it is a neighbor without health insurance, a victim of abuse, or someone struggling with mental illness or an addiction, United Way is working to ensure everyone has access to affordable and quality care.

## EDUCATION

United Way's Education model focuses on supportive communities, effective schools, and strong families through programs encouraging everything from early learning to adult education, and families in transition.

## FINANCIAL STABILITY

This is an initiative that identifies barriers and promotes community-change strategies to help families meet their basic needs, while gaining financial independence and self-sufficiency. Planning for short-term vs long-term goals.

## IT'S EASY TO LIVE UNITED:
