

United Way's 15th Annual Stuff the Bus

As the world continued to re-open, United Way was eager to move forward with hosting their 15th Annual Stuff the Bus in-person at Hernando's eight Publix Stores. With all students returning to classrooms full-time in the fall, now more than ever teachers and students need our support. All of the items collected by generous donors were distributed back to the teachers who volunteered their time for this event in order to help prepare incoming students to be ready to learn and succeed this coming school year.

**Thank You Hernando County
for LIVING UNITED!**

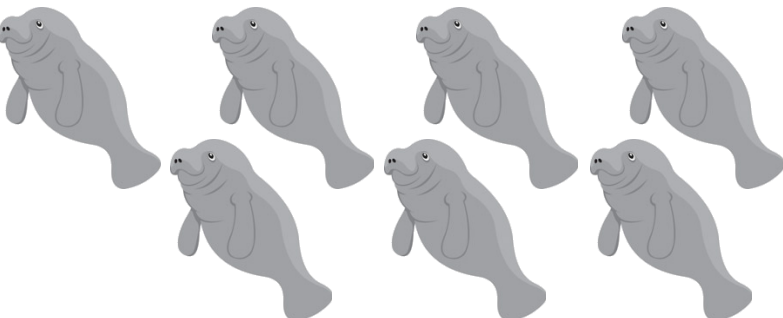

6,359 lbs
of School Supplies Collected

\$8,817
Raised in Monetary Donations

Total weight of School Supplies is almost as much as 7 manatees!
