Dear Friends of the United Way of Hernando County,

As our United Way of Hernando County organization turns 34 years old, our talented staff and UNITED Board of Directors can't help but reflect on where we were, where we are, and where we want to be. We reimagined ourselves over this past year making us stronger, more energized, and furthering an already unified organization. We feel so fortunate to have been surrounded by some of the brightest and most talented people Hernando County has to offer.

As the global pandemic continues to disrupt our local communities, we have taken on these new unmet needs as a personal challenge moving forward & "pressing on!" Adapting with technology, responding to a housing crisis, an increase in financial assistance and access to healthcare, addressing a spike in mental health needs, and calling upon all partnerships. Now more than ever, community support for our organization and programs, as well as financial resources are critically needed.

United Way continues to carry out its mission of local support with a heavy focus on programs that provide direct services to those most vulnerable. We have been uniquely positioned to directly impact change by swiftly mobilizing resources. Our trusted policies, procedures, and protocols have allowed us to assess and assist hundreds of local families through the County awarded Coronavirus Relief Assistance funds over this past year. As our small but mighty staff handled each of the 276 cases this past FY, giving each household the attention they deserved, the time they craved for someone to talk to, and the hope they desperately needed, we truly found our purpose as a lead organization.

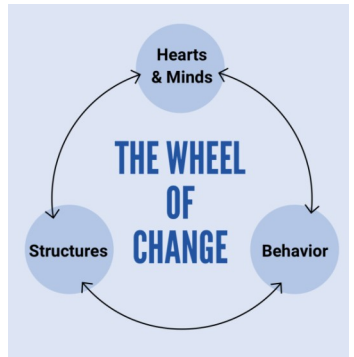

As we enter our new fiscal year and Frank Cassara takes the Board Chair leadership position, we remind everyone to "Press On" no matter the obstacle that is put in your path. We have now proven to ourselves and our community that we are up to whatever we are tasked to do. Press On and LIVE UNITED!

Our LIVE UNITED motto is more than just a cool t-shirt, it's a movement. A movement that is accomplished by generous GIVING, through passionate ADVOCATING, and through dedicated individuals VOLUNTEERING. Join us! How will YOU choose to LIVE UNITED?

Whether you are a staff member, Board Member, dedicated volunteer, or loyal donor, we thank you for your time, treasurers, and talents! Thank you for your partnerships and continued support.

*Sincerely,*

*Chris Scavuzzo and Angie B. Walasek*
