

2-1-1 Tampa Bay Cares, Inc. has created ***E-Hernando*** an Internet mailing list to help human service providers in Hernando County communicate electronically.

E-Hernando is designed to help human service providers in Hernando County find resources, ask questions, exchange information and tap the knowledge bank of human service professionals in over 800 human service agencies. Think of it as an electronic newsletter for human service professionals!

What is an Internet mailing list? *It is a special electronic mail address that automatically forwards messages sent to users who have electronically subscribed to the mailing list. This broadcast allows all list subscribers to follow a slow motion conversation between people interested in a common topic.*

Subscribers to ***E-Hernando*** can post topics that communicate community information such as:

- Local training opportunities.
- Volunteer management issues.
- New programs/resources in the community.
- Job opportunities at local human service agencies.
- Potential grant/funding opportunities.
- Coalition meeting dates and times.
- Other related topics

Best of all...It's free!
