Have you heard of 2-1-1 but you're unsure of what it is or how to navigate the maze of resources? This seminar is designed to assist individuals/organizations helping members of the community connect with local health and human services. 2-1-1 is a free, confidential, multilingual, 24 hour dialing code (2-1-1) for access to community information, services and resources for residents of Hernando County.

Seminar Highlights

- A discussion of 2-1-1 programs and services that can benefit clients, individuals, and families who come to you for help
- An overview of the 2-1-1 database and website
- A preview of how to add and maintain your health and human services profile
- Some resources listed on 2-1-1 include financial assistance for utilities, rent, food, shelter, mental health, substance abuse counseling, family and youth counseling, child care, health issues and other stressful situations

Top Needs in Hernando County October 2015-July 2016

- 984 calls for Housing Resources
- 399 calls for Utility Assistance
- 300 calls regarding Mental Health Services

Specialized for health and human services, non-profits, human resource departments, churches, guidance counselors, etc.
