# SHRED IT AND FORGET IT

Campbell & Co. invites you and a friend to shed the weight of all your old and unwanted documents cluttering your home before the holiday season!

Join us on October 27 at our Spring Hill office to securely shred what you no longer need. We will also have a live radio broadcast with local radio host Mike Reeves to enjoy, and the opportunity to give back through the United Way of Hernando County food drive!

Be sure to bring non-opened, non-perishable food items along with your documents to make the most of the event. See you there!
