RECOVERY
GROUP**

HERNANDO COUNTY LONG-TERM RECOVERY GROUP

MISSION:

“To provide coordinated, comprehensive recovery services to individuals and families impacted by disasters in Hernando County, addressing unmet needs and facilitating a resilient community by leveraging public, private, and non-profit collaborative partnerships and accessible resources.”

VISION:

“To create a resilient community where every individual affected by a disaster has access to comprehensive support, enabling them to rebuild their lives and thrive in a fully recovered environment, regardless of their circumstances.”

GOALS:

- Bring together organizations on the ground
- Develop recovery plans for individuals and households
- Cooperate to meet unmet needs
- Leverage a comprehensive disaster case management system
- Verify & distribute resources
- Promote physical, social, economic, and emotional wellness

Want to Get Involved?

Join the Conversation Today!

As our community moves into the long-term recovery phase, collaboration and strategic planning are vital to rebuilding a stronger and more resilient community. By joining the Hernando County Long-Term Recovery Group, you'll contribute to efforts that go beyond short-term relief, ensuring sustained recovery for those in need.

Need Help?

Call a Disaster Case Manager Today!

Disaster Case Management is a FREE service where a skilled helper works with individuals or families affected by a disaster to create and achieve recovery goals. Let the Disaster Case Managers ease the burden of recovery by guiding you through the complex recovery process. They will simplify the journey by creating clear, realistic plans and connecting clients to the resources they need to rebuild their lives. **Easily call or text 352-340-2571.**
