STRONGER TOGETHER:

HEALING & RESILIENCE AFTER HURRICANE MILTON

Saturday, October 18, 2025
11:00 AM - 3:00 PM

Ridge Manor Community Park
34030 Ridge Manor Blvd

Home to the POD (Point of Distribution)

The first anniversary of Hurricane Milton's landfall, & the ripple effects of the Withlacoochee River overflowing, is a moment for our community to **pause, reflect, and heal**. This gathering honors the lives touched and forever changed by the storm—the homes we lost, the survivors, and the community helpers who stood strong in the face of crisis.

Whether you've been impacted by past storms or want to be prepared for what's ahead, our community is here for you.
