Join Us for a **FREE** Workshop Around Best Practices & Walk Away With Tools!

AUGUST 6, 2026
9:30AM - 11:30AM

PURPOSE: AI has made scammers smarter, faster, and more convincing than ever before. Nonprofits are increasingly targeted because they often manage sensitive client information, donor records, financial transactions, and disaster-relief resources with limited cybersecurity budgets.

LEARN MORE FROM OUR GUEST EXPERTS ON:

- ▶ Recognizing Emerging Phishing, Fraud, & AI Scams
- ▶ Protecting Organizational Assets
- ▶ Safeguarding Client Information
- ▶ Building a Culture of Cybersecurity Awareness
- ▶ Understanding Risks for Nonprofits & Vulnerable Clients
- ▶ Implementing Best Practices for Protecting Donor, Volunteer, Employee, & Client Data

AYM serves as a **FREE** quarterly workshop designed to further enhance non-profit knowledge on specified topics. AYM is held the first Thursday of each quarter. Organizational Leadership, Board Members, & Volunteers are encouraged to attend. You must RSVP.
